About Twist Out Cancer

Twist Out Cancer provides emotional support to individuals touched by cancer through creative arts programming.

TOC offers the platform, tools and community—both online and offline—for anyone touched by cancer to create, support and inspire. What makes TOC unique is its dynamic multi-tiered approach through its website, Brushes with Cancer programs, Twistshops (educational workshops), health and awareness events. The TOC network enables anyone touched by cancer to get connected to a global community of support and gain access to the tools they need to take action. Since 2011, TOC has touched over 130,000 individuals through its programs and events. TOC is volunteer led, boasting a network of over 500 active volunteers serving as ambassadors throughout Chicago, Detroit, Tel Aviv, Toronto, Montreal, Philadelphia, Austin and beyond. TOC has a large following across our social media platforms with over 26,000 supporters that are active and engaged in our activities.

Benefits Of Sponsorship

Twist Out Cancer is a vibrant, growing registered non-profit organization that has impact in our local communities, nationally and abroad. Twist Out Cancer offers valuable marketing benefits to our sponsors. Sponsorship opportunities can be customized to meet the needs of both parties and will directly service the mission of Twist Out Cancer.

Connections: Sponsors are able to leverage their participation to build valuable connections and further expose their brands to a well connected philanthropic audience.

Community: Sponsors stand out as corporate citizens who share our commitment to making a difference through service and impact.

Our Signature Program: Brushes with Cancer

Brushes with Cancer provides psycho-social support to those touched by cancer to improve the quality of life for cancer patients, their family and loved ones, through a unique art experience.

“Telling my story in this context and through this creative process was better than any kind of therapy.”

—Amy, who lost her mother to ovarian cancer and who is herself both a survivor of kidney cancer and a ‘previvor’ who was diagnosed with the BRCA2 gene

Brushes with Cancer pairs artists with those touched by cancer to create unique pieces of artwork reflective of their journey. We invite you to join the TOC community and guests for an evening of celebration, storytelling, survivorship and hope. During the virtual event, each artist’s piece will be officially revealed and auctioned with proceeds benefiting the mission and work of Twist Out Cancer.
