

Twist Out Cancer is committed to keeping the health and safety of our members a top priority. We are relying on our supporters to keep our community safe, particularly for those who are immunocompromised or who are caring for others. We are implementing safety protocols to ensure the well-being of our attendees and staff. These safety protocols are subject to change based on updated guidance and requirements from federal, state and local authorities. By registering for this event, you are agreeing to these safety standards, however they may need to be adjusted for up-to-date safety standards.

Detailed information:

All attendees of in-person Twist Out Cancer hosted/held events acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that they may be exposed to or infected with COVID-19 by attending an event. All attendees agree to adhere to current CDC and any state or local requirements. We ask that all attendees wear masks and exercise social distance. Individuals should not attend an event if they are not feeling well, are running a fever at the time of the event, or have been in contact with anyone that has tested positive for COVID-19 in the last 14 days.

In the event an attendee tests positive for COVID-19 after attending a Twist Out Cancer hosted/held event, the attendee will notify Twist Out Cancer staff immediately so that all event attendees can be alerted to self-quarantine and monitor for symptoms. All event registrants are agreeing to hold harmless Twist Out Cancer® and any affiliated local associations, businesses, vendors, and their respective agents and employees, from any and all claims and liability resulting from exposure to COVID-19 as a result of attending such an event. By registering for a Twist Out Cancer event, you have agreed to all of the above.
