Our Signature Program: Brushes with Cancer

Brushes with Cancer provides psycho-social support to those touched by cancer to improve the quality of life for cancer patients, their family and loved ones, through a unique art experience.

“Telling my story in this context and through this creative process was better than any kind of therapy.”

—Amy, who lost her mother to ovarian cancer and who is herself both a survivor of kidney cancer and a ‘previvor’ who was diagnosed with the BRCA2 gene

Brushes with Cancer pairs artists with those touched by cancer to create unique pieces of artwork reflective of their journey. We invite you to join the TOC community and guests for an evening of celebration, storytelling, survivorship and hope. During the virtual event, each artist's piece will be officially revealed and auctioned with proceeds benefiting the mission and work of Twist Out Cancer.
