**Brushes with Cancer matches individuals touched by cancer (Inspirations) with Artists to create a unique piece of artwork that reflects their personal journey with cancer.**

In 2025 we are experiencing an unprecedented demand for the program, and with support from our community, we hope to be able to meet that demand in 2025 and beyond. **Your sponsorship is critical to this growth, and we thank you for your consideration.**

## Benefits of Program Sponsorship

All sponsors in 2025 will be recognized as sponsors of the Brushes with Cancer program and the Brushes with Cancer event on November 9th, at Lilah in Fishtown, Philadelphia. Sponsors stand out as corporate citizens who share our commitment to making a difference through service and impact, and build valuable connections and exposure to a well-connected philanthropic audience.

## Impact of Brushes with Cancer

After 10 years and more than three dozen Brushes with Cancer programs, we continue to see evidence that the experience is impactful for both Artists and Inspirations. Connections over the past decade continue to be strong and our Brushes with Cancer program offers healing for anyone touched by cancer.

- Since 2012, over **1,700 people** have participated in Brushes with Cancer programs, either as an Inspiration or Artist.
- As a result, over **850 unique pieces of art** represent 850 individual journeys with cancer.
