

# Plates with Purpose

A Restaurant Partnership Series Supporting Cancer Thrivers, Previvors & Caregivers, Presented by **Twist Out Cancer**

**Join a mission-driven dining campaign that's personal, impactful, and community-centered.**

Whether you're a neighborhood favorite or a fine-dining destination, your restaurant can turn a table into a story of healing.

## How It Works:

- 1. Feature a Special Dish, Drink, or Menu**  
Highlight an item and include a short story + QR code on menus or signage (we help with design & copy).
- 2. Donate a Portion of Sales**  
Select the percentage or dollar amount to donate—every bite counts.
- 3. Tap Your Purveyors**  
Work with your suppliers to donate ingredients or products for your featured item. We're happy to share ideas or sample language to make the ask easier—you know your partners best.
- 4. We Promote You**  
Get featured on our website, socials, email blasts, and in press outreach.

## Why Partner with Twist Out Cancer?
